**CleanXpress Silicone Spray Polishes** the front console, door and all plastic parts of your car by forming a protective layer. It can also be applied in daily use, Home plastic parts, Kitchen surfaces, Marbles, White goods covers, Leather surfaces.

With its specially developed formula, **CleanXpress Furniture Polish** provides effective protection against water and stains that may occur on your wooden furniture. Wooden furniture gets dirty with external factors such as soot, dust, humidity, temperature differences, fingerprints, water stains, becomes dull, makes discolored, cracks. **CleanXpress Furniture Polish** deeply cleans all kinds of dirt, dust, soot, and stains on furniture without damaging the wood. **CleanXpress Furniture Polish** provides a long-lasting natural shine by polishing the wooden surface. **CleanXpress Furniture Polish** penetrates and nourishes the wood texture, creates a covering layer on the surface and protects the surface against external factors.

CleanXpress Lighter Gas helps filling refillable valve lighters with propan / butane gas. Press and hold for 15 seconds with a sharp tip on valve to discharge the air inside before filling the lighter. Turn the container upside down and press for 2-3 times on filling valve of lighter.
